

Parking Information

UT Department of Theatre • 206 McClung Tower • Knoxville, TN 37996

We would like to make you aware of some of the regulations and major parking scenarios that you may encounter during your time with us at the Clarence Brown. For more info on parking at the University, please see the Parking Services website (<http://web.utk.edu/~ps/>) or contact Company Management.

PARKING TICKETS

Anyone without a permit who parks on campus does so at the risk of being ticketed or towed. The theater assumes no responsibility for tickets received due to missing or improperly displayed permits.

WHO GETS A PASS

UT Students, Faculty, and Staff: Park per UT Parking regulations. No pass provided by the Department.

Guest Artists: A **Staff Lot 37** pass will be provided. **This pass is good for any Staff Lot 37 and is good in Lot 23 behind the theatre only after 5 PM.** See <http://web.utk.edu/~ps/> for lot maps.

Temporary Permits are issued to guest artists by Company Management and should be prominently displayed in the bottom left hand corner of your windshield. University parking regulations prohibit the Department or the Theatre from providing any student or University employee with a permit. Parents, for Season for Youth performances we recommend dropping young performers off at the theatre and picking them up after the show.

WHEN AND WHERE CAN I PARK WITH MY PASS?

All lots are labeled on metal signs at each entrance. Staff Lots are designated by a blue sign. The following provides a guide to UT's parking restrictions.

6AM-5PM M-F & Event-Mode	You must have a pass that matches the lot you are in. Ticketing enforcement for first time offenders. Towing enforcement for repeat violations/unpaid tickets.
5PM-3AM M-F & 6AM-3AM S/S	Any pass (commuter, non-commuter, or staff) is good in any unreserved (non-gated) lot as long as the pass is current.
3AM-6AM M-F	You must have a pass that matches the lot you are in. Immediate towing for violations.
Game Day	All parking privileges are revoked. SEE "PARKING MODES: FOOTBALL PARKING"

PARKING MODES: EVENT PARKING

Events on campus (athletics, conferences, lectures, concerts, etc.) may trigger "Event-Mode" in lots across part or all of campus. When in Event Mode (as indicated by barriers/signs at lot entrances), people attending an event are allowed to park for a cash fee (currently \$10/car/entry). When in event mode, people with a valid pass for a specific lot should be admitted as long as space permits. Should a lot fill up, the attendants should direct you to an alternate parking location. You will not be admitted if your pass is not for that specific lot.

We will try to give you a heads up on the daily call when we are aware of an upcoming event; however, it is impossible for us to try and keep up with the University's massively and continuously shifting schedules and parking situations and there will be times when we will not be able to provide advance notice.

A full list of events is maintained by the University's Parking Services at:

<http://web.utk.edu/~ps/conference/webreport.html>

Warning: This list changes regularly and without warning. Leave ample time for parking; you never know when you'll be arriving to find a surprise event.

PARKING MODES: FOOTBALL PARKING

ALL passes are revoked campus-wide on home football game days.

Some parking is available for those with staff permits (like guest artists) in a few small lots around campus. Anyone with a Staff Parking or Temporary Lot 23 permit may park at the Student Aquatic Center lot (beside the white bubble building on Andy Holt Ave. just west of the theatre.) Please note that this parking is on a first come, first serve basis.

On nights preceding Football Games, Parking Services begins towing cars from ALL unreserved (un-gated) lots at 8:00 PM. Cars parked in Staff Lot 23 at the theatre will not be towed before 11:30 PM—no guarantees can or will be made if you park in any other location on these nights. All rehearsals and CBT events will end in sufficient time for all personnel to move their vehicles prior to the 11:30 PM deadline.
